Mission Statement

The State Office of Risk Management will provide active leadership to enable State of Texas agencies to protect their employees, the general public, and the state’s physical and financial assets by reducing and controlling risk in the most efficient and cost-effective manner.

Statement of Philosophy

The State Office of Risk Management will act in accordance with the highest standards of ethics, fairness, accountability and humanity for both our customers and our employees. Customer service is a cornerstone of our mission.

Vision Statement

The State Office of Risk Management will be recognized as a national leader through determined advocacy and significant contributions to enterprise-level risk management, and an ongoing focus on collaboration and continuous enhancement of agency expertise.
Overview of the Texas State Employees’ Workers’ Compensation System

What Is It?
Workers’ compensation laws are based upon the theory that the burden of on-the-job injuries should be shifted from the worker to the employing business, and ultimately to the consuming public, as a cost of doing business. These laws protect and benefit the employee by providing speedy, simple, effective, and inexpensive relief, without regard to the fault of the employer, the employee, or third parties. Texas Labor Code §406.031(a).

Prior to the enactment of such laws, injured workers often were denied any compensation for work-related injuries. In those cases where they were granted relief by the courts, it was usually only after a lengthy and expensive process.

In 1913, the Legislature passed Texas’ first workers’ compensation law, but it did not apply to state employees. It was not until 1973 that a workers’ compensation statute was passed that is applicable to most state employees (Texas Civil Statutes, Article 8309g, now re-codified as Chapter 501 of the Texas Labor Code). Under these statutes, the state is self-insuring with respect to an employee’s compensable injury.

Workers’ compensation claims of state employees are filed with and determined by the State Office of Risk Management, but income and medical benefit disputes are adjudicated by the Texas Department of Insurance, Division of Workers’ Compensation (DWC). The SORM executive director acts in the capacity of insurer as an adversary before DWC and the courts and presents the legal defenses and positions of the state as the insurer. The SORM executive director is authorized to make rules and prescribe forms. Texas Labor Code §412.041.

Who Is Covered?
A state employee, as discussed above, who sustains an injury in the course and scope of employment is entitled to receive compensation under this system. In the case of a fatality, the deceased employee’s legal beneficiaries are entitled to benefits. The term “injury” includes occupational diseases.

A state employee is a person who is in the service of the state, whether that person is elected, appointed, or hired by oral or written contract, or whose state employment related duties require that the person work in a political subdivision of the state, but who is paid from state funds. Certain peace officers, as identified in Chapter 501 of the Act, are also considered state employees for purposes of workers’ compensation.

However, the following people are not considered employees of the state for purposes of workers’ compensation:

- Independent contractors;
- Volunteers, except during a Governor-declared State of Emergency;
- Members of the state military forces, except while on active duty or authorized training;
- Persons covered by federal workers’ compensation;
- Offenders; and
• Consumers or patients of a state institution or agency.

The following groups have their own workers’ compensation programs:
• Employees of the University of Texas System;
• Employees of the Texas A&M University System; and
• Employees of the Texas Department of Transportation.

In most cases it is easy to determine if an on-the-job injury has occurred, but some cases require further investigation. However, it is not the claims coordinator’s responsibility to make this determination. If the injured employee feels that the injury or illness is work-related, then it should be reported. The determination of compensability is made by SORM, whose decisions may be disputed before DWC.

Claims investigation is discussed in more detail later in this handbook.

**What Does It Pay For?**

**Weekly Compensation**
Payment of compensation for time lost from work due to an on-the-job injury is made directly to the employee on a weekly basis, unless monthly benefits are requested. Only those employees who are physically unable to perform their usual job tasks for more than seven days following the date of injury are eligible to receive weekly compensation payments. The first seven calendar days following the injury date are called the waiting period and no weekly compensation payment is due for the time lost for that period. However, if an employee is off work for more than 14 calendar days, the weekly compensation for the waiting period is paid retroactively.

An injured employee may elect to use sick and/or annual leave instead of receiving lost-time benefits. While sick/annual leave is being used, lost-time benefits will not be paid.

There are differences if the employee elects to receive lost-time benefits. The amount of each week’s lost-time compensation payment is calculated as a percentage of the employee’s average weekly wage, subject to a maximum and a minimum limit established by the Texas Workers’ Compensation Act. The average weekly wage includes compensation for non-pecuniary benefits, such as the insurance premiums, lodging, personal use of state vehicle, uniforms, and other wages paid to the employee in a form other than money. The injured employee is responsible for paying the insurance premium when the agency is no longer covering that fringe benefit.

**Compensation Due in Fatal Cases**
Beneficiaries of a deceased employee receive weekly compensation payments equal to a percentage of the employee’s average weekly wages, subject to a maximum amount and a minimum amount established by the Texas Workers’ Compensation Act. Weekly payments to a surviving spouse are payable for life or until the spouse remarries. In the event of remarriage, a lump-sum (commuted) payment equal in

---

1 An eligible spouse is entitled to receive death benefits for life or until remarriage. On remarriage, the eligible spouse is entitled to receive 104 weeks of death benefits, commuted as provided by commissioner rule. However, an eligible spouse who remarried is eligible for death benefits for life if the employee a state, local or university-employed peace officer, or an intrastate fire mutual aid system team member or a regional incident management team member as specified in Labor Code Section 501.001(5)(F) who suffered death in the course and scope of employment or while providing services as a volunteer.
amount to the compensation due for a period of two years is paid. Weekly payments to a child shall continue until the age of 18 or beyond such age if the child is dependent (disabled at the time of the injury), or until 25 years of age if enrolled as a full-time student in an accredited educational institution. All other beneficiaries (where there is neither a surviving spouse nor child) are due weekly payments for 364 weeks. Texas Labor Code §408.183.

**Medical Services Payment**

**Selection of Doctor**

**Non-Network claims:** The employee is entitled to the employee’s initial choice of doctor. If the employee is dissatisfied with the initial choice of doctor, the employee may notify DWC and request approval to treat with an alternate doctor. The notification should be on an Employee’s Request to Change Treating Doctors (DWC-53) form.

**Network claims:** The employee is entitled to the employee’s initial choice of doctor. The doctor must be within the SORM-contracted Workers’ Compensation Health Care Network (CareWorks Managed Care Services). A list of physicians in the employee’s area can be found on the SORM website.

If the employee is dissatisfied with the initial choice of doctor, the employee may contact CareWorks and request approval to treat with an alternate doctor. The employee is allowed one change of doctor, but it must be processed through CareWorks.

**Medical Fees and Charges**

Medical providers shall bill on the prescribed forms and according to the medical fee guidelines established by DWC. SORM will pay only for those services that are determined to be reasonable and necessary and related to the injury. By statute and rule, DWC has specified 14 treatments that require pre-authorization or prior approval. Without this approval, SORM may not be responsible for payment of the services rendered. Rule 134.600 of Title 28 of the Texas Administration Code has the list of services needing preauthorization.

Employees eligible for workers’ compensation medical services should be instructed to inform the health care provider that the injury may be covered by workers’ compensation provided by the State of Texas, and to give the health care provider their SORM claim number.

**Artificial Appliances and Prosthetic Devices**

SORM will pay for artificial appliances and prosthetic devices in cases where the injuries have necessitated their use. However, the breakage of eyeglasses or hearing aids, where there is no additional loss of visual capacity or hearing, is considered damage to property and does not meet the definition of "injury" within the law. Such property damage is not compensable.

**Prescriptions**

A Preferred Provider Program is also available to injured employees. When the employee charges a prescription, the pharmacy will submit a Statement for Pharmacy Services directly to SORM for payment. SORM will pay only for prescriptions that are reasonable and necessary and related to the injury. Employees may be reimbursed for initial prescriptions paid out of pocket by filing a SORM-81 (Medical Reimbursement Form) to SORM directly.

In the following pages, you will see reference to the Act – this is the Texas Workers’ Compensation Act (Act) which is located within the Texas Labor Code.

Employer Responsibilities

All employing agencies are required to fully cooperate with SORM and DWC in any way that may be required to properly administer the state employee’s workers’ compensation program.

State agencies are responsible for certain required “employer” reports and forms described in this handbook. Please see Chapters 408 and 409 of the Act for a description of the employer’s responsibilities for reporting injuries and employer requirements for administering claims.
**Send Timely Notices, Reports, and Information**
An agency is required to give notices, make reports, and otherwise transmit information to SORM and to DWC concerning on-the-job injuries and occupational diseases/illnesses in a timely manner. Most of these notices and reports must be given or made within a certain time period after the event or occurrence. The sections appearing later in this handbook explain how and when to file specific forms.

**Designate a Claims Coordinator**
Each agency must designate one or more claims coordinators, as may be necessary, and must report to SORM any change in this designation. The role of the claims coordinator is discussed later in this handbook.

**Compliance with Rules**
Agencies must comply with all rules enacted by SORM, as well as those of DWC. Agency policies, guidelines, or instructions must not vary from DWC rules, SORM rules, or with the Act. As the employer of record, state agencies are subject to administrative penalties for violations of the Act which may be assessed against the employer by the DWC Compliance and Practices Division (see Chapter 415 of the Act). DWC can assess monetary administrative penalties on the employer for failing to file certain documents on time, such as the first report of injury, the wage statement, or the supplemental report of injury. Instructions for filling out and filing these forms are included in this handbook. Please contact DWC’s Information Services at 800-252-7031 Option 1 or your local DWC Field Office for information regarding employer requirements and administrative violations.

**Keep Adequate Records**
Each agency must make a record of all injuries sustained by employees in the course of employment. DWC Rule 120.1 states that agencies must maintain these records “until the expiration of five years from the last day of the year in which the injury occurred or the period of time required by Occupational Safety and Health Administration standards and regulations, whichever is greater.” Occupational disease records may be required to be kept for 30 years beginning from the date an employee’s employment is terminated. Various written reports also must be filed with SORM. This is discussed more fully later in the handbook.

**Notify SORM Immediately of Hospitalizations or Fatalities**
If the injury results in a stay at the hospital or results in death, the agency must immediately notify SORM by telephone, in addition to filing the required first report of injury.

**Post Required Notices in the Workplace**
DWC rules require that an employer who has workers’ compensation insurance coverage post certain notices in the workplace (28 Texas Administrative Code 110.101). Please call DWC’s Information Services line at 800-252-7031 for more information.

**Inform Employees of the Ombudsman Program**
A state agency, as the employer, is required by the Workers’ Compensation Act (Act) to inform employees of the Office of Injured Employee Counsel ombudsman program. The mission of the ombudsman program is to assist injured employees, employers, providers, and beneficiaries claiming death benefits to obtain benefits under the Act. Failure to inform employees of this program may result in an administrative violation.

**Develop Health and Safety Programs and Return-to-Work Programs**
The Legislature has mandated that all covered agencies have programs in place to promote the health and safety of the employees and to assist injured employees with returning to work. These programs must comply with SORM’s *Risk Management for Texas State Agencies Guidelines*. Return-to-work programs will be a coordinated effort involving the SORM Enterprise Risk department, the employing state agency, and the medical provider. See Section 412.051 of the Texas Workers’ Compensation Act or call SORM at (512) 475-1440 for additional information.

Call DWC’s Information Services line at 800-252-7031 for more details on these and other DWC requirements.

**Employer’s Rights**

As the employer of record, state agencies are entitled to certain rights under the Texas Workers’ Compensation Act. Section 409.011(b) of the Act describes the rights of the employer. These rights include:

- the right to be present at all administrative proceedings relating to an employee’s claim;
- the right to present relevant evidence relating to an employee’s claim at any proceeding;
- the right to report suspected fraud;
- the right to contest the compensability of an injury if the insurance carrier accepts liability for the payment of benefits;
- the right to receive notice, after making a written request to the insurance carrier, of:
  - a proposal to settle a claim; or
  - an administrative or a judicial proceeding relating to the resolution of a claim.

Please contact DWC’s Information Services at 800-252-7031 for more information about the employer’s rights and responsibilities.

**Employee Responsibilities**

An injured employee has legal responsibilities he or she must meet to establish a claim for compensation.

**Notify the Employer Within 30 Days**

The injured employee must notify supervisory or management personnel about an on-the-job injury not later than the 30th day after the injury occurs, or if the injury is an occupational disease, not later than the 30th day after the employee knew or should have known that the disease might be related to the employment. Texas Labor Code §409.001.

**File a Claim Within One Year**

The injured employee must file with DWC a claim for compensation (DWC-41) not later than one year after the date of injury, or if the injury is an occupational disease, not later than one year after the employee knew or should have known that the disease was related to the employment. The DWC-41 is sent to the injured employee by DWC upon notification of claim. Texas Labor Code §409.003.

**Provide a Written Statement for Work-Related Exposure to Communicable Diseases**

*HIV Rule 122.4:*

For the purposes of qualifying for workers’ compensation benefits, the law requires that an employee who claims a possible work-related exposure to HIV infection must provide a written statement of the
date and circumstances of the exposure. The law also requires the employee to document that, within 10 days after the date of the exposure, the employee was tested for HIV.

*Communicable Diseases Rule 122.3:*
This section applies only to emergency responders. For the purposes of qualifying for workers’ compensation benefits, if the employee is an emergency responder, he/she must provide the employer with a sworn affidavit of the date and circumstances of the exposure. The law also requires the employee to document that, within 10 days after the date of the exposure, the employee was tested for the communicable disease.

---

**Claims Coordinator Responsibilities**

The claims coordinator is responsible for receiving notices of injury from employees and serves as the liaison between an injured employee and SORM. The claims coordinator is responsible for submitting the required injury reports and notices to SORM and collecting statements from witnesses.

**The Claims Coordinator Role as Liaison**
When SORM receives notice that a state employee has been injured, a SORM adjuster immediately contacts the injured employee, the employee’s physician, and the employing agency. The claims coordinator is the primary point of contact between the adjuster and the agency. An adjuster will call the claims coordinator soon after receiving the injury report to verify that all the information on the report is correct.

Early contact by the adjuster helps establish the facts of the on-the-job injury in complicated cases and aids in prompt medical treatment and payment of benefits that may be due. Early personal contact may also help to determine the possibility of third-party liability.

The adjuster will call the claims coordinator periodically to obtain additional information or to verify that the employee has returned to work. It is important that the claims coordinator immediately notify SORM when the employee has lost time or returns to work. Timely notification ensures that benefits are correctly paid to the employee.

An adjuster may ask for work schedules or other information about the employee’s injury that is available from the agency timekeeper or the employee’s supervisor. The claims coordinator is responsible for obtaining this information from their agency and providing it to SORM.

**The Claims Coordinator Role in Claim Processing**
The claims coordinator is responsible for supplying SORM with the appropriate information and forms so that SORM adjusters can properly process claims. There are various forms that the claims coordinator must file with SORM to ensure that the adjuster can manage the claim appropriately and remain in compliance with the law and DWC rules. There are very important time guidelines that must be adhered to when filing these forms. The forms and instructions for processing and submission are summarized in a checklist format in Section VIII of this manual.

**Occupational Diseases**

---

10
The employing agency is required to file an **Employer’s First Report of Injury or Illness (DWC-1S)** with SORM for occupational diseases, even if the employee has lost no time from work.

For occupational disease claims with a date of injury occurring on or after September 1, 1995, the injured employee’s eligibility for income benefits terminates 401 weeks after the date benefits are first accrued.

DWC provides the following classifications for occupational diseases/cumulative injuries through the Electronic Data Interchange (EDI) requirement.

**Medical Only Claims**

When the injured employee has a medical only claim and is not losing time from work, there are four critical forms (see 1 – 4 below) that the claims coordinator must submit to SORM. However, SORM adjusters may request subsequent forms or additional information if needed.

1. The **Employer’s First Report of Injury or Illness (DWC-1S)** must be received by SORM not later than the fifth calendar day after the employer is notified (or has actual notice or knowledge) of a work-related injury or occupational disease of an agency employee where professional medical treatment is sought for such injury, or where a death occurs in a work-related injury regardless of medical treatment. The employer must send the DWC-1S to SORM the first time the employer becomes aware that professional medical treatment has been either sought by or provided to the injured employee for the work-related injury even when there is no lost time from work (conversely, the DWC-1S form must also be sent in every case where there is lost time regardless of medical treatment). A copy of the DWC-1S is included in this handbook.

2. The claimant must complete the **Employee’s Report of Injury (SORM-29)** immediately after an injury occurs and the form must be received by SORM not later than the fifth calendar day after the filing of the **Employer’s First Report of Injury or Illness (DWC-1S)**. The form must be legible and signed and dated by the claimant. In cases where a DWC-1S is not required (i.e., no lost time or no medical treatment), the employer retains the SORM-29 reports in their records.

3. The **Witness Statement (SORM-74)** form must be completed for each witness to the injury or incident. The claims coordinator is responsible for collecting the completed forms and making sure that they are completed accurately for every work-related incident regardless of whether there is any medical
treatment or lost time. These forms must be received by SORM not later than the fifth calendar day after the Employer’s First Report of Injury or Illness (DWC-1S) is filed with SORM. In cases where a DWC-1S is not required (i.e., no lost time or no medical treatment), the employer retains the SORM-74 Witness Statement forms in their records.

4. The claimant must complete the Authorization for Release of Information (SORM-16) immediately after sustaining a work-related injury. The claimant must sign and date the form. The form must be received by SORM not later than the fifth calendar day after the Employer’s First Report of Injury or Illness (DWC-1S) is filed with SORM. In cases where a DWC-1S is not required (i.e., no lost time or no medical treatment), the employer retains the SORM-16 authorization forms in their records.

Lost Time Claims
When an injured employee is losing time from work, there are additional forms that must be submitted to SORM as set out below.

In every case the employer receives notice or knowledge that there is a work-related injury and the employee has lost time as a result of the claimed injury, the Employer’s First Report of Injury or Illness (DWC-1S) must be received by SORM not later than the 5th calendar day. A copy of the DWC-1S is included in this handbook.

The Employee’s Report of Injury (SORM-29) must be completed by the claimant immediately after an injury occurs and should be received by SORM not later than the 5th calendar day after the filing of the Employer’s First Report of Injury or Illness (DWC-1S). The form must be legible, and the claimant must sign and date the form. In cases where a DWC-1S is not required (i.e., no lost time or no medical treatment), the employer retains the SORM-29 reports in their records.

Injured employees must choose whether they will utilize sick leave before receiving workers’ compensation income benefits on the Employee’s Election Regarding Utilization of Sick Leave (SORM-80). This form must be received by SORM not later than the 5th calendar day after the first full day of lost time.

If the employee experiences one full day of lost time, not including the date of injury, the claims coordinator must submit the Employer’s Wage Statement (DWC-3) to SORM. This form should be received by SORM not later than the 5th calendar day after the first full day of lost time.

The claims coordinator must complete a Witness Statement (SORM-74) for each witness to the injury or incident. The claims coordinator is responsible for collecting the completed forms and making sure that they are completed accurately. These forms must be received by SORM not later than the 5th calendar day after the Employer’s First Report of Injury or Illness (DWC-1S) is filed with SORM.

The claims coordinator must submit the Supplemental Report of Injury (DWC-6) to SORM for any of the following five different scenarios. Because this information is crucial to the timely stopping and starting of benefits, we request that the claims coordinator call the adjuster as soon as possible and follow up by faxing a DWC-6 to SORM.

- When the employee returns to work, the form must be received by SORM not later than the third calendar day after the employee returns to work.
When an employee returns to work and experiences an additional day(s) of disability as a result of the injury, the form must be received by SORM not later than the third calendar day after employee loses the first additional day.

- If the employee experiences a change in weekly earnings (increase or decrease) after the injury, the form must be received by SORM not later than the third calendar day after the end of the pay period in which this occurs.

- If the employee resigns or is terminated, the form must be received by SORM not later than the third calendar day after that event.

The claims coordinator must submit the Notification of Additional Information (SORM-90) to SORM, not later than the next working day after any additional leave has been granted (extended sick leave, sick leave pool, emergency sick leave, FMLA).

If the employer suspends health insurance, the employer must file a SORM-90 with SORM within three days reporting the date of suspension.

The employer should report the employee’s last FULL day of paid leave on the SORM-90 within three days of the employee going leave without pay.

The claimant must complete the Authorization for Release of Information (SORM-16) form immediately after sustaining a work-related injury. The claimant must sign and date the form. The form must be received by SORM not later than the 5th calendar day after the first notice of injury is filed with SORM.

Other Forms

The injured worker must complete the Travel Reimbursement Form (DWC-48) when seeking reimbursement for travel expenses for medical care relating to work-related injuries. This covers authorized reimbursements for mileage, lodging, and meals. The injured worker or claims coordinator must submit this form. It must be received by SORM not later than 30 calendar days after the date of travel. SORM has 45 days to process the DWC-48.

The injured worker must complete a Medical Reimbursement Request (SORM-81) for any out of pocket expenses incurred. The adjuster will review the request once it is received. SORM has 45 days to process the SORM-81.

Claims Administration Strategies

There are many things that an agency and the claims coordinator can do to help in managing workers’ compensation costs and the amount of lost time for their injured employees. SORM is actively pursuing these goals and is available to assist in achieving them.

Prompt Reporting

Once an injury has occurred, it is important that the injury is reported to SORM immediately. The claims coordinator should work with the supervisors to remind them that early reporting of injuries is crucial to the investigation of the accident, evaluation of the claim, and appropriate management of the claimant’s medical care. Prompt reporting of injuries will ensure that proper medical care is started quickly and will assist the claims adjuster in starting benefits in a timely manner.
It is also important that the claims coordinator timely reports to SORM when an injured employee returns to work. Supervisors need to relay this information immediately, along with information about sick and annual leave used to prevent overpayment of income benefits.

Frequent Contact with the Employee

Studies show that frequent contact with injured workers can help to return them to work sooner than if there is no contact. When the employee feels that their employer is concerned about their recovery, they will mentally recover sooner and be more likely to return to work. SORM recommends that claims coordinators call each injured employee once a week to keep records up to date and to keep the employee informed on agency happenings. Claims coordinators should also encourage employees’ supervisors to call injured workers about returning to work. Please refer to SORM’s Risk Management for Texas State Agencies guidelines.

Return-to-Work Programs

SORM is a valuable resource that assists in assessing health and safety risks and makes risk control recommendations to eliminate and/or reduce losses. However, some accidents and injuries will occur. When an injury occurs, it is then incumbent upon state agencies to help the injured employee to return to work as soon as possible.

Several state agencies and private companies have had success with structured return-to-work programs. A successful program can greatly benefit both employees and state agencies. These programs involve maintaining frequent contact with the employee and medical provider, providing a modified work environment and/or work assignment, or providing alternate-duty assignments that return the employee to the workplace within his or her temporary medical restrictions. These measures assist the employee in maintaining a positive attitude and reduce the costs associated with a lengthy absence from work.

Return-to-work programs allow injured employees to work within their abilities and within temporary medical restrictions. During this time of work restriction, the employee is said to be on modified or alternate duty. The employee may be doing their regular job with modification or they may be assigned alternate responsibilities unrelated to their usual job. Along with programs aimed at loss prevention and loss reduction, the return-to-work program can lower the agency’s workers’ compensation costs and reduce the necessity to hire additional staff. Providing the injured worker with an opportunity to return to the workplace in a productive capacity will encourage the worker to return to their regular position much sooner. Although some job modifications and/or accommodations may need to be made, many positions can be modified with very little expense.

Please refer to SORM’s guidelines regarding return-to-work programs in Risk Management for State Agencies Volume III, Section One, Chapter 5.

Each agency’s Americans with Disabilities Act (ADA) coordinator may also have additional information on the topic of reasonable accommodations for persons with disabilities as defined by the ADA.

Health & Safety, Wellness, and Risk Management Programs

The Legislature has mandated that state agency risk management programs, health and safety programs, and return-to-work programs must be developed and implemented in accordance with SORM’s
guidelines, per Section 412.051, Texas Workers’ Compensation Act. These programs must be approved by SORM.

**Bona Fide Offers of Employment**

A bona fide offer is a written offer of employment delivered to an employee during the period for which benefits are payable. Bona fide offers of employment should be made once the employee has been released to modified duty as reported on the Work Status Report (**DWC-73** form) by a doctor, physician assistant or advanced practice registered nurse. Bona fide offers of employment can greatly reduce a claim’s cost by getting employees back into the workplace to perform duties not likely to impede recovery from their injuries. Workers are likely to return to their full-time positions more quickly if they take on a modified-duty job rather than staying home. Claims coordinators must coordinate bona fide offers of employment with their agency’s human resources staff.

The written Bona Fide Offer of Employment must clearly state the following:

1. The position offered (to include the duration of the offer);
2. The duties of the position;
3. That the employer is aware of and will abide by the physical limitations under which the treating physician has authorized the employee to return to work;
4. The maximum physical requirements of the job;
5. The wage;
6. The location of employment and work schedule;
7. The training that will be provided, if necessary, for the position being offered; and
8. Include an attached copy of the signed DWC-73 on which the offer is based.

DWC considers the following items when determining whether an offer of employment is bona fide:

1. The manner in which the offer was communicated to the employee;
2. The physical requirements and accommodations of the position compared to the employee’s physical capabilities; and
3. The distance of the position from the employee’s residence.

Employment is “geographically accessible” to the injured employee if it is within a reasonable distance from the employee’s residence unless the employee proves with medical evidence that their physical condition precludes traveling that distance.

If the employee returns to work or is cleared for the work by their physician but refuses to accept the work, income benefits may be suspended.

It also is important that SORM receive copies of all correspondence dealing with a bona fide offer of employment. Therefore, always send the adjuster a copy of the letter when the letter is mailed and when an employee’s response is received.
Bona Fide Offer of Employment Sample Instructions
The following sample instructions that should be sent along with the letter.

EMPLOYEE'S INSTRUCTIONS

PLEASE FOLLOW THE INSTRUCTIONS BELOW:

1. Read carefully the attached letter. If this letter is not clear, please contact our office immediately for clarification.

2. Submit a copy of this bona fide offer of employment to a physician for their consideration before accepting the offer and/or returning to work.

3. Please check the appropriate space below indicating acceptance or denial of the offer of employment.

4. Sign and date the form.

5. Return the letter immediately. A phone call may be made to accept or not accept the position. Refusal to accept the bona fide job offer could result in the termination of your income benefits.
Bona Fide Offer of Employment Sample Letter

The following information should be included in the letter for a bona fide offer of employment. Also, attach a copy of the doctor’s restrictions.

CERTIFIED MAIL RECEIPT REQUESTED

Dear (claimant):

Our office is in receipt of medical information from Dr.________________ outlining the restrictions under which you are able to return to work. Our office will abide by the physical limitations as outlined by the physician. In accordance with Rule 129.6 of the Texas Department of Insurance, Division of Workers’ Compensation, the following information is provided to you for consideration as a bona fide offer of employment.

1. Position title:
2. Hours of duty: ____a.m. / p.m. until ____a.m. / p.m.
3. Wages: $____ Hourly $____ Weekly $____ Monthly
4. Job description, including duty hours, and maximum physical requirements of the position (lifting and approximate lbs.; approximate time stooping, pushing, standing, sitting, etc.):
5. Address, location, and duty hours of the offered position and approximate distance in miles from employee’s residence:

If necessary, training will be provided for the temporary assignment. Should you have any questions, please contact the undersigned below.

Sincerely,

At the bottom of the letter, the claimant should be required to fill out the following information.

Claimant:

_____ I have read and understand the requirements of the position and accept the position.

_____ I have read and understand the requirements of the position but do not accept the position.

Utilization of Sick and Annual Leave

Under the state employee’s workers’ compensation system, an injured state employee has the option of using accrued sick leave and accrued annual leave instead of receiving lost-time compensation benefits.

Since the amount of lost-time benefits is usually less than an employee’s salary, the advantage in making such an election is that the employee will receive his or her full paycheck during the period that accrued sick leave or accrued annual leave is utilized. With this election, the employee’s insurance premium is paid at 100%.

An employee may elect to use all accrued sick leave and all accrued annual leave; all accrued sick leave and a portion of accrued annual leave; all accrued sick leave and no accrued annual leave; or no accrued sick leave and no accrued annual leave. Accrued sick leave must be exhausted before accrued annual leave can be used. These are the only available elections. See Texas Labor Code §501.044.

“Sick leave” includes sick leave regularly earned and accumulated by the employee because of employment with the state, extended sick leave with pay authorized by the administrative head(s) of any state agency, and sick leave with pay granted to the employee from any sick leave pool.

“Annual leave” includes paid vacation earned and accumulated by the employee because of employment with the state.

Sick and annual leave that is accumulated while an injured employee is off work cannot be utilized until the injured employee returns to work and has subsequently lost time due to the injury.

Appropriate forms for making an election to use sick leave and for notification of the granting of extended sick leave and pooled sick leave can be found in the forms section of this handbook.

For further information on state employee use of sick leave under workers’ compensation benefit requirement see the SORM rules at 28 Texas Administrative Code Subchapter C §§ 301 – 309.

Third Party Liability

When an employee sustains a work-related injury, recovery of workers’ compensation benefits is the employee’s exclusive remedy against the employer. However, when an employee is injured in the course and scope of employment as a result of a negligent third party, for example when the employee is in a motor vehicle accident and the other driver is 100% at fault, the employee has the right to pursue a claim against the third party in addition to pursuing a workers’ compensation claim.

When an employee covered by workers’ compensation insurance is injured as the result of a negligent third party, SORM is subrogated to the rights of the injured employee or legal beneficiary and may sue in court for recovery of medical and compensatory benefits paid to or on behalf of the injured employee. In a case of third-party liability, at the time an injured employee files a claim for workers’ compensation benefits, the workers’ compensation insurer’s right to subrogation is automatically established under Texas Labor Code Chapter 417. However, recovery does not mature until the first dollar of benefits has been paid to or on behalf of the injured employee.
Texas law entitles SORM to first and full reimbursement from any third-party settlement, up to the amount of the lien. This means that if either the injured employee or SORM pursues the claim and recovers money from the negligent third party, either by a settlement agreement or through the courts, the first money must be applied to reimburse SORM for the workers’ compensation benefits that have been paid to or on behalf of the injured employee. Moreover, SORM is entitled to treat the injured employee’s net recovery as an advance against any future workers’ compensation benefits that the injured employee may be entitled to under the Workers’ Compensation Act.

An employee who is injured as the result of a negligent third party cannot conspire by settlement, release, or apportionment of damages to deprive SORM of its right to reimbursement for benefits paid. When an injured employee and a negligent third party enter into settlement, “both” are liable to SORM for benefits paid. Further, the Texas Supreme Court has held that an injured employee has no cause of action against a third party except to the degree his or her damages exceed the workers’ compensation recovery.

The rationale for subrogation in workers’ compensation is to prevent double recoveries by an injured employee to keep rates lower and to permit SORM to recover some of the taxpayers’ money. As such, SORM has established a Subrogation Unit, within the Office of the General Counsel, to actively pursue these claims. The Subrogation Unit reviews every DWC-1S filed with SORM for potential subrogation activity.

Adjusters and claims coordinators can play a significant role in the identification of potential workers’ compensation insurance carrier subrogation recovery claims by collecting as many facts as possible about the way the accident or injury occurred. These facts should then be sent to the Subrogation Unit in a timely manner. Consultation with the SORM Subrogation Unit should be utilized whenever a claims coordinator identifies a potential claim for third-party subrogation liability. The rule is to never assume unknown facts where potential for third-party subrogation liability may become an issue.

Among the most important things to do in a third-party liability subrogation claim is to ensure that the evidence from the accident is preserved. Claims coordinators should work with safety officers to secure defective or malfunctioning equipment for investigation by SORM.

Photographs of the accident scene should be taken immediately following the incident to preserve “first impression” and permanent evidence before the evidence is moved, cleaned or otherwise altered from its immediate post-accident state, condition or position. A severe injury where court action is involved may take years to settle and, during that time, injuries heal, memories will fade, and witnesses move or otherwise become unavailable.

Claims coordinators should provide a very thorough written description of the incident. They should also obtain witness statements and interview all witnesses as soon as possible while the details of the accident are still fresh on their minds. Claims coordinators should provide information about outside contractors or companies where there may be a direct connection to the incident. For instance, janitorial services, construction crews, and delivery people may be responsible for a slip and fall, premise liability, or product liability injury. A complete and thorough investigation will save time and money in a subrogation action.
This section contains two checklists which will play an important part in the daily activities of a claims coordinator.

1. The Claims Coordinator Checklist details which forms must be sent to SORM and when and how to submit them.

2. The Subrogation Checklist highlights some of the important information that a claims coordinator can obtain to assist us in our third-party liability investigations.

We would recommend that you make copies of these two checklists and use one for every new claim as applicable.

**Subrogation Checklists**

The following checklists are a guideline for the claims coordinators to use when there is an injury that could involve subrogation or third-party liability. Three of the most common third-party liability situations resulting in an injury are as a result of motor vehicle accidents, dangerous or defective products, devices, or conditions of the premises. The following lists are not all-inclusive but contain information that will be vital in a subrogation investigation. The claims coordinator can assist by gathering any available information.

Forms

Links and examples of the following required forms are provided herein. All forms are available on the Claims Coordinator Resources page on the SORM website, or through SORM’s online system, RMIS. Forms from the Division of Workers’ Compensation (DWC) can also be found on the DWC website.

PLEASE USE THE CURRENT ONLINE FORMS ONLY.

DO NOT USE THE EXAMPLES PROVIDED IN THIS MANUAL.
Employer's First Report of Injury or Illness (DWC-1S)

Login to RMIS to complete the DWC-1S

Required:
Form DWC-1S must be completed and submitted to SORM for any on-the-job injury that:
- Has more than one day of lost time;
- Is an occupational disease, with or without lost time or medical expenditures;
- Resulted in the death of the employee; or
- Results in expenditures for medical treatment or service.

It is important that every box be completed on the DWC-1S form. Incomplete or missing data often prevents efficient processing of the DWC-1S and can prevent injured employees from receiving benefits in a timely manner. If a box is not applicable, fill it in with N/A.

**PLEASE NOTE:** If an on-the-job injury is not an occupational disease, does not result in medical treatment, does not result in the death of the employee or results in less than one day of lost time, the employer will keep the record on file only.

Filing Deadline:
In claims where there is either one day of lost time, medical treatment or an occupational disease, the form must be received by SORM not later than the 5th calendar day after the employing agency is first notified or receives knowledge of the injury or illness.

**PLEASE NOTE:** When an employee suffers a severe or fatal injury, please contact SORM by phone and submit the form immediately.

Completed by:
The claims coordinator.

Instructions:
**PLEASE COMPLETE ALL APPLICABLE FIELDS.** Most fields are self-explanatory; however, the following items may require more attention:

DWC-1S Violation Rule
Employers have important responsibilities under the Workers' Compensation Act. Along with health care providers, they are a primary source of information for the carrier to use to administer claims. Without the employers' and health care provider’s assistance, carriers are hard pressed to timely and appropriately deliver benefits to injured employees. Failure to provide complete, timely information will result in penalties that can be quite substantial. A state agency is the employer and has a duty under the Texas Workers’ Compensation Act to timely and accurately provide information to the State Office of Risk Management (insurance carrier) so that injured employees can receive the benefits they are entitled to. Although many employees use accumulated leave as a form of salary continuation for injuries, this does not remove the employers' responsibilities with regard to reporting.

DWC-1, Employer’s First Report of Injury
Texas Labor Code §409.005 and DWC Rule 120.2

The Employers’ First Report of Injury must be filed within 8 days of the date the employer received notice of the injury or an occupational disease, or the 8th day after the employee’s absence for more than one day from work due to the injury or death.

Failure to timely report the lost time in this manner may be subject to a penalty not to exceed $25,000 per day per occurrence. Texas Labor Code §415.021.

Do not send this form to the DWC, unless specifically requested to do so.

If a report has not been received by the carrier, SORM, the employer has the burden of proving that the report was filed within the required time frame.

This report may not be considered as an admission or evidence against the employer or the insurance carrier in any proceeding before the DWC or a court in which facts set out in the report are contradicted by the employer or insurance carrier. Texas Labor Code §409.005(f).
Employer's Wage Statement (DWC-3)

Login to RMIS to complete the DWC-3

Required: Immediately after receiving notice of an injury, the agency should complete the employee's wage statement. This information is needed when the employee experiences one (1) or more full days of lost time or as requested by SORM.

If a fringe benefit is identified as being continued, and the employer later suspends that benefit, the employer must file an amended DWC-3 form with SORM within three (3) calendar days of reporting the date of suspension.

Filing Deadline: The form must be received by SORM not later than the 5th calendar day after the first full day of lost time.

Completed by: The claims coordinator or agency representative.

Instructions for the DWC-3 (Sample Provided): Please follow these steps when completing the Employer's Wage Statement (DWC-3) form. A sample form is also included for your reference.

First, indicate whether the DWC-3 is being submitted for the first time or if it is an amendment to a previously submitted DWC-3 by placing an "X" in either the "Initial" box or the "Amended" box.

STEP ONE: EMPLOYER AND EMPLOYEE INFORMATION
Boxes 1-9 are self-explanatory.
Box 10: Indicate the employee's status according to the guidelines included on the form.

STEP TWO: SAME OR SIMILAR EMPLOYEE
If the employee was not employed by the agency for 13 continuous weeks before the date of injury, the claims coordinator shall base the injured employee's wages on an employee performing similar services. If using a similar employee, put a check in the appropriate box.

STEP THREE: WAGE INFORMATION - BOX 11
Provide all wage information for each week in the 13 weeks immediately preceding the date of injury. Do not include the date of injury or any days after the date of injury. Earnings to be included under "Gross Weekly Pay" are: Benefit Replacement Pay, Longevity Pay, Hazard Pay, Sick or Annual Paid, and Shift Differential Pay. Do not include any fringe benefits in these calculations. Follow the instructions included on the DWC-3 for boxes 11a, 11b, and 11c.
Employees hired by the State of Texas on or before August 31, 1995, may be eligible for Benefit Replacement Pay (BRP), beginning with wages paid on January 1, 1996. The 74th Legislature eliminated the provision for the State to pay a portion of the employees' share of Federal Insurance Contribution Act (FICA) taxes, commonly referred to as state-paid social security. The BRP is intended to compensate employees for the loss of the state-paid share. New employees hired on September 1, 1995, or later, are not eligible for the BRP.

The formula for calculating Gross Weekly Pay is:
• Monthly Gross Wages ÷ 4.34821 = Gross Weekly Pay

**Examples for Wage Information - Box 11:**
The following are examples of how to complete Box 11. The sample form illustrates these boxes.

Employee John Doe was injured on 8/12/96 after falling off a warehouse ladder. John had a Monthly Gross Wage of $1,300. John was a full-time state employee and worked Monday through Friday. To calculate his wages, take the following steps:

| Box 11a: | Fill in the dates for all 13 weeks prior to the date of injury, starting with the date before the injury occurred. |
| Box 11b: | Fill in the number of hours paid for all 13 weeks prior to the date of injury, starting with the date before the injury occurred. |
| Box 11c: | Calculate the Gross Weekly Pay by dividing the Monthly Gross Wages by 4.34821. |

$1,300 ÷ 4.34821 = $298.97

Employees' wages will sometimes change at the end of a month, midway through a work week. In this example, John received a $100 / month raise beginning August 1, 1996, which fell on a Thursday. This is Week 2 on the sample form. Take the following steps to calculate Gross Weekly Pay when two different Monthly Gross Wages combine during one work week:

1. Calculate the Daily Wage of the worker for both monthly salaries. To do this, first calculate the Gross Weekly Pay for both Monthly Gross Wages as usual.

   Previous Monthly Gross Wage ÷ 4.34821 = Previous Gross Weekly Pay

   John's Previous Gross Weekly Pay: $1,300 ÷ 4.34821 = $298.97

   New Monthly Gross Wage ÷ 4.34821 = New Gross Weekly Pay

   John's New Gross Weekly Pay: $1,400 ÷ 4.34821 = $321.97

2. Divide the Gross Weekly Pay of each salary by the number of days worked each work week to obtain the Daily Wage.

   Previous Gross Weekly Pay ÷ 5 days worked = Previous Daily Wage

   John's Previous Daily Wage: $298.97 ÷ 5 = $59.79

   New Gross Weekly Pay ÷ 5 days worked = New Daily Wage

   John's New Daily Wage: $321.97 ÷ 5 = $64.39

3. Add the number of days worked under the Previous Daily Wage to the number of days worked under the New Daily Wage and the total will be the Gross Weekly Pay for that week.
John worked Monday - Wednesday, July 29, 30, and 31: 3 days
John worked Thursday - Friday, August 1 and 2: 2 days
Previous Daily Wages + New Daily Wages = Gross Weekly Pay
($59.79 \times 3 \text{ days}) + ($64.39 \times 2 \text{ days}) = \text{Gross Weekly Pay}
$179.37 + $128.78 = $308.15

John's Gross Weekly Pay is $308.15 for Week 2, July 29 - August 4, 1996.
Use John's new Monthly Gross Wage of $1,400 to calculate the Gross Weekly Pay for Week 1, August 5 - 11, 1996.
$1,400 \div 4.34821 = $321.97

**STEP FOUR: FRINGE BENEFITS - BOX 12**
Do not include fringe benefits in Box 11 calculations. Also, always use the injured employee's fringe benefits, even if the wages are based on those of a similar employee.

| Box 12a: | If the injured employee is entitled to any of the fringe benefits listed, the claims coordinator should check "YES" in the appropriate box. |
| Box 12b: | State the value or dollar amount of the benefit(s) paid each week prior to the injury. When provided with a monthly amount of benefits paid, divide the monthly amount by 4.34821 for the weekly fringe benefit. Please give the amount of the state contribution for health insurance, not the total charge for health insurance. Do not include employee contributions. Please note that the state contribution for health insurance can be affected by the Family Medical Leave Act. Check with your human resources office if in doubt of any benefits. |
| Box 12c: | Indicate whether the employer will continue to provide the fringe benefit(s). |
| Box 12d: | Indicate the date the fringe benefit(s) were or will be suspended. |

*** If a fringe benefit is identified as being continued, and the employer later suspends that benefit, the employer must file an amended DWC-3 form with SORM within three (3) calendar days of reporting the date of suspension.

**Example for Box 12 - Fringe Benefits**
John Doe received a state contribution of $176.93 a month for health insurance. To convert this figure to a weekly amount, use the following formula:

Monthly Fringe Benefit Amount ÷ 4.34821 = Weekly Fringe Benefit Amount

$176.93 \div 4.34821 = $40.69/\text{week}

Write the figure "$40.69" for all 13 weeks in Box 12b beside the Health Insurance box.

In situations where a Monthly Fringe Benefit Amount changes at the end of a month, midway through a work week, please follow the same steps as illustrated for changing wages at the end of the month.

**STEP FIVE: SIGN THE FORM**
The Employer's Wage Statement (DWC-3) form must be signed and dated by the person completing the form.
**Distribution:**
Submit online to: State Office of Risk Management
Mail a copy to the claimant.
Retain a copy for your file.
### Wage Information Instructions
- The employer shall report all wages earned in the 13 weeks immediately preceding the date of injury. The employer may provide wages for the 3 months preceding the date of injury. Monthly wages may also be converted to weekly wages by dividing the gross monthly amount by 4.34521. If the employer is paid on a biweekly basis, the employer may provide the wages for the 14 weeks preceding the date of injury. When setting the periods to report, the employer may adjust the reporting period backward slightly (up to six days) to line up the reporting periods with the employer's natural pay cycle. However, the employer shall not report wages earned on or after the date of injury.
- Reporting weekly earnings, use all 13 Period Columns below. If reporting 3 months of earnings, attach the wages to weekly earnings or use the first 3 Period Columns. If reporting 14 weeks of biweekly earnings, use the first 7 Period Columns. Indicate the dates that each period covers.

### NON-CLAIM EMPLOYER WAGES (ONLY THOSE THAT ARE REPORTABLE FOR FEDERAL INCOME TAX PURPOSES)

Indicate the Gross Wages Reportable for Federal Income Tax Purposes earned in the 13 weeks immediately prior to the date of injury. Consider as earnings amounts from paid holidays and personal or sick leave an employee used but not the market value of leave time earned but not used. Earnings are reported in the periods they are earned, NOT when they are paid and some (such as bonuses and commissions) need to be prorated. Do not include payments made to reimburse the employee for the use of the employee’s equipment or for paying helpers or reimburse travel expenses.

If the employee is paid on a monthly or semi-monthly basis, the wages earned may be reported for the months preceding the date of injury. Monthly wages may also be converted to weekly wages by dividing the gross monthly amount by 4.34521. If the employee is paid on a weekly basis, the wages for the 14 weeks prior to the date of injury may be reported. When setting the periods to report, the reporting periods may be adjusted backwards slightly (up to six days) to line up the reporting timetables with the employee’s natural pay cycle. However, do not report wages earned on or after the date of injury.

If reporting weekly earnings, use all 13 Period Columns below. If reporting 3 months of earnings, either convert the wages to weekly earnings or use the first 3 Period Columns. If reporting 14 weeks of earnings, use the first 2 Period Columns. In all cases, indicate the dates that each period covers.
**DWC-3 Violation Rule**  
**DWC-3, Employers Wage Statement**  
**Texas Labor Code §408.063 and DWC Rule 120.4**

An employer shall file a signed wage statement with the carrier and the employee within 30 days of the date benefits begin to accrue and with the commission within 7 days of receiving a request from the commission. Income benefits begin to accrue (become due and payable) on the eighth day of disability (eight day of total of lost time as a result of the work-related injury). Rule 124.7.

An employer that fails to file a complete wage statement as required by this rule without good cause may be assessed an administrative penalty, not to exceed $25,000 per day per occurrence. Texas Labor Code §415.021.

Employee’s Election Regarding Sick and Annual Leave (SORM-80)

Download the SORM-80

Required:
Injured employees must choose whether they will utilize accrued sick leave and accrued annual leave before receiving workers’ compensation income benefits. No workers’ compensation income benefits will be paid until all elected leave is fully utilized as more fully explained further below. The advantage to using sick and annual leave is that the employee will receive their full, normal pay during the elected leave period. Once elected leave is exhausted the employee will receive what they are due under the workers’ compensation statues, albeit without deductions for federal income taxes. When sick leave and/or annual leave expires, please notify SORM within two (2) calendar days of the expiration of that leave.

- All accrued sick leave must be exhausted before accrued annual leave can be used.

Filing Deadline:
The form must be received by SORM not later than the 5th calendar day after the first full day of lost time has occurred. If not received by that date, the employee will be paid under Election II (see below).

Completed by:
The claims coordinator and injured employee.

1. Enter the employee’s name and date of injury in the space provided.

2. Election 1. If employees elect to use all of their accrued sick leave until it is exhausted, instead of receiving workers’ compensation benefits during that period, employees must also choose one of the following:
   a. To use all of their accrued annual leave;
   b. To use a portion of their accrued annual leave (must indicate the number of annual leave hours to be used); or
   c. To use none of their accrued annual leave.

Explain to employees that workers’ compensation benefits do not start until the eighth day of lost time. Employees who cannot work for 14 days will then receive retroactive benefits for that seven-day period or any portion of that seven-day period not covered by leave.

3. Election 2 -- If employees elect to use none of their accrued sick leave and none of their accrued annual leave, the employees must choose Election 2. Explain to employees that workers’ compensation benefits do not start until the eighth day of lost time. Employees who cannot work for 14 days will then receive retroactive benefits for that seven-day period.

4. Be sure to fill in the amount of sick leave and annual leave available to the claimant at the time of injury.
5. Have employees include their Social Security Number and **sign the form stating that they understand that they cannot change an election after signing the form.**

**Distribution:**

EMPLOYEE’S ELECTION REGARDING
UTILIZATION OF SICK AND ANNUAL LEAVE

Employee’s Name: ___________________________ Date of Injury: ___________________________

Employee’s SSN: ___________________________ Agency: ___________________________

You are not required to use your leave. Texas Labor Code §501.044 allows an injured state employee to elect to use accrued sick and annual leave before receiving income benefits. NOTE: Sick leave must be exhausted before annual leave may be used. Other categories of leave (compensatory leave, holiday leave, administrative leave, etc.) may not be used prior to sick and annual leave.

Select only ONE election, either Election 1 or Election 2 below:

☐ ELECTION 1—Choose A, B, or C
   When I lose time from work due to this injury or illness, I elect to use all of my accrued sick leave AND:
   ☐ A. All of my accrued annual leave.
   ☐ B. A portion of my accrued annual leave (enter number below).
   ☐ C. None of my accrued annual leave.
   If you selected B, how much of the portion of your leave do you wish to donate? _________________

☐ ELECTION 2
   When I lose time from work due to this injury or illness, I elect to not use any accrued sick leave or annual leave. I understand I am not entitled to workers’ compensation income benefits until after the seven (7) calendar day waiting period.
   If you know, please indicate how hours you have available: _______ Sick hours; _________ Annual hours

MONTHLY TEMPORARY INCOME BENEFITS (TIB) ELECTION

☐ I elect to change my Temporary Income Benefits frequency from weekly to monthly. For more information about TIB, please visit the Texas Dept. of Insurance Website (https://www.tdi.state.tx.us/pub/factsheets/tibs.pdf).

By signing below, I signify that I understand that I may not change my election after my eighth (8th) day of disability and that I have read the instructions on page 2.

SORM-80F Rev 03-16
INSTRUCTIONS

Employee’s Election Regarding
Utilization of Sick and Annual Leave

Injured employees may elect to use accrued sick leave and all, part, or none of their accrued annual leave for time missed from work due to the work related injury. Accrued sick leave and accrued annual leave are the amounts of paid leave available at the time of injury in addition to leave earned after the injury. The following details the effects of the different choices available to you.

If You Choose Election 1

- You must use all accrued sick leave but may elect to use all, some, or none of your accrued annual leave.
- All sick leave must be exhausted before annual leave may be used.
- If you select 1A and return to work but later have additional days of disability, you must use any accrued sick and annual leave before receiving workers’ compensation income benefits.
- If you select 1B, you must use any sick leave balance and any authorized annual leave before you will be eligible to receive workers’ compensation income benefits.
- If you select 1C, you must use any/all accrued sick leave before receiving workers’ compensation income benefits.
- Workers’ compensation income benefits do not begin until the eighth day of disability. Employees who are disabled for at least 14 days will receive retroactive benefits for any portion of the seven-day waiting period not paid by leave.
- You will continue to receive your full pay as long as you have accrued time to use and have authorized your agency to use it for your injury. If your elected leave is exhausted, you may receive income benefits to replace a portion of your lost wages. This may be 70% or 75% of your average weekly wage depending on your wages at the time of your injury.
- It is recommended that you consult with your Human Resources Department to discuss the impact of your selection on your leave balances and insurance benefits should you be off work for an extended period of time.

If You Choose Election 2

- You choose to not use any sick or annual leave for your compensable injury. Your agency may immediately place you in a leave without pay status.
- You may not receive any workers’ compensation income benefits for the first seven (7) calendar days you are unable to work. If eligible, your income replacement benefits will begin on the 8th day of disability and employees who are unable to work for 14 days will receive retroactive benefits for the first seven days. You will be paid at a rate of 70 or 75% of your weekly wage depending on your wages at the time of your injury.

Notice: With few exceptions, an individual is entitled, upon request, to be informed about the information a state governmental body collects about the individual. Under Sections 552.021 and 552.023 of the Government Code the individual is entitled to receive and review the information and under Section 559.004 of the Government Code the individual is entitled to have the state governmental body correct any information about the individual that is incorrect.
Witness Statement (SORM-74)

Download the SORM-74

Required:
Immediately after receiving notice of any injury, the claims coordinator should determine the names, addresses, and telephone numbers of all witnesses to the incident. A statement should be taken from each witness and forwarded to SORM.

Filing Deadline:
The form must be received by SORM not later than the 5th calendar day after the Employer’s First Report of Injury or Illness (DWC-1S) is filed with SORM.

Completed by:
The person giving the statement, with assistance from the claims coordinator.

Instructions:
1. Except for the witness signature, the witness statement form should be typewritten, if possible. If it must be handwritten, PLEASE PRINT to ensure legibility.
2. Be sure to fill in the claim number, if known.
3. The witness may have actually seen the accident, or may have acquired knowledge about the accident from some other source. The witness’ information may relate to how the accident occurred or to something else that is relevant. Check the first or second box and fill in the blanks following those boxes, as is appropriate. Be specific and complete. Sometimes you will be given a witness name but who, when asked, denies any knowledge of the incident. In such a case the third box should be checked.
4. If the space provided on the form is insufficient, attach additional sheets. Please be as specific and complete as possible.

Distribution:
Fax a copy or mail the original to: State Office of Risk Management
Retain a copy for your file.

Division of Workers' Compensation
DWC FORM-6
Supplemental Report of Injury

DWC requires the reporting of all Return to Work and Post-Injury Change of Earnings. An injured worker is entitled to temporary income benefits if he/she has disability (defined as the inability to work, or the inability to earn wages equivalent to pre-injury wages, as a result of the injury) and has not reached maximum medical improvement (defined as having reached 104 weeks from the eighth day of lost time or when a doctor certifies that no further recovery can be reasonably anticipated). The insurance carrier shall adjust the weekly amount of temporary income benefits paid to the injured worker to match the fluctuations in weekly earnings after the injury. To ensure the insurance carrier has accurate information to calculate benefits, the DWC FORM-6 is to be completed as applicable.

The EMPLOYER must file this form:
• For a worker’s injury/illness that occurs after January 1, 1991 and required the previous filing of a DWC FORM-1, Employer’s First Report of Injury; and
• During the time the injured worker is entitled to temporary income benefits (TIBs); and
• Until the injured worker:
  ➢ Reaches maximum medical improvement (MMI), or
  ➢ Is no longer employed by the employer.

His report must be filed in the following situations within the timeframes indicated:
• 3 days after the injured worker begins to lose time from work as a result of the injury, if lost time did not occur immediately following the injury;
• 3 days after the injured worker returns to work;
• 3 days, when the injured worker returned to work, then later has additional day(s) of lost time as a result of the injury;
• 10 days after the end of each pay period in which the injured worker has a change in earnings as a result of the injury;
• 10 days after the injured worker resigns or is terminated.

While most of the sections on this form are self-explanatory, please note that the pay periods requested in sections 20 & 21 may be different depending on the situation for which the form is being filed:
• If the report is indicating lost time from work or the end of employment, the pay period shall be the most recent pay period prior to the lost time.
• If the report is indicating return to work or a change in earnings, the pay period shall be the pay period the injured worker is beginning.

This form is to be filed by first class mail or personal delivery with:
• The insurance carrier, and
• The injured worker.
This report is considered filed when personally delivered or postmarked.

If you return to work for the same employer or a different employer, your temporary income benefits from the insurance carrier must be adjusted.

Failure to comply with these filing requirements, without good cause, is a Class C administrative violation, subject to a penalty not to exceed $500.

TLC 409.005 and Rules 120.3 and 129.4 provide the requirements regarding use of this report. The complete rule text is available on the DWC website at: http://www.tdi.texas.gov/rules

DWC FORM-6 (Rev. 10/06) Page 2
DIVISION OF WORKERS’ COMPENSATION
The DWC-6 is required to be filed under a variety of conditions including: when an employee returns to work, when he/she experiences additional days of disability when there is a change in earnings, and when the employee is terminated or resigns. Other than the filings required for termination or resignation, the DWC-6 is required for every change in disability status; whether total or partial.

Often employees have returned to work at light duty with fluctuating wages or have intermittent periods of lost time (disability). It is important to understand that each change in disability status described above must be reported via a DWC-6 form. The purpose of these requirements is to ensure that the carrier has the information necessary to make adjustments to its payments of temporary income benefits so that the employee timely receives the compensation they are entitled to - no more, no less.

Failure to timely, accurately, and completely file a DWC-6 as required may be subject to a penalty not to exceed $25,000 per day of occurrence. Texas Labor Code §415.021.
Authorization for Release of Information (SORM-16)

Required:
Immediately after sustaining a work-related injury, the claimant should fill out this release form. This enables SORM to obtain from providers copies of relevant medical documents that will assist in the handling of the claim.

Notification of Additional Information

**Purpose of Form:** The SORM 90 provides a mechanism whereby the claims coordinator shall provide additional information to the adjuster pertaining to four elements of the claim.

- Child Support
- Change in employee’s personal information, i.e., home address, name change pursuant to change in marital status or legal proceeding, etc.
- Additional Leave Granted
- Leave Expiration Information

**Filing Deadline:** The form must be received by SORM not later than the next working day after the event/change occurs.

**Completed by:** The claims coordinator.

**Instructions:** Complete the identifying information at the top of the form.

**Child Support**

If the claimant is having Child Support withdrawn from their paycheck, attach a copy of the order to the form. This is necessary so that the claimant receives the correct amount of income benefits.

**Change in Information**

Enter the revised data.

**Additional Leave Granted**

When an agency grants a claimant extended sick leave, sick leave pool hours, or emergency leave, the adjuster must factor in these additional hours with regard to initiation of income benefits.

**Leave Expiration Information**

This information is essential for ensuring that income benefits are paid timely and in the correct amount. Claimants often use intermittent leave for purposes other than their workers’ compensation injury and as a result, elected leave may not extend to the projected date of expiration.

**Distribution:** The claims coordinator will fax the document to the State Office of Risk Management and retain the original for the agency file.

**Injured Employee:** If your request was denied or partially denied, you may appeal by asking for a benefit review conference. Call (800) 252-7031 or go to www.tdi.texas.gov/forms/dwc/dwc645brc.pdf to complete DWC Form-045.

**Things to Know**

If you have a work-related injury, you can get reimbursed for travel costs for some medical treatments or exams more than 30 miles one way if:

- Medical treatment is not reasonably available within 30 miles of where you live; or
- Required medical exams, designated doctor exams, and post-designated doctor treating or referral exams are more than 30 miles one way.

**Mileage:** If you travel from your home or work place to the health care provider’s office, you can get reimbursed for mileage using the shortest reasonable route. Some things to know:

- If you left from a place other than your home or workplace, mileage will be based on the distance from the health care provider’s office to your home, workplace, or place of departure, whichever is closest.
- The amount reimbursed will be based on the travel rate for state employees. To get those rates, go to:

**Hotel and meals:** If your travel reasonably includes an overnight stay, you can get reimbursed for the cost of a hotel or other lodging and meals related to your trip. Some things to know:

- You must send a copy of receipts for an overnight stay and your meals with this form.
- The amount reimbursed cannot be more than the rates for state employees. Those rates are posted at https://fmx.cpa.state.tx.us/fm/travel/travelrates.php or call us at (800) 252-7031.

**How to file this form:** Complete and sign the form. Send it to the insurance carrier within 1 year of when you incurred (charged) these costs. Keep a copy of the completed form and receipts. If you need help, call us at (800) 252-7031.

**What happens next:** Within 45 days of getting your form, the insurance carrier must reimburse your request for travel costs or deny your request by completing Section D or using its own form explaining why it won’t pay for the travel.

You can ask for a benefit review conference if the insurance carrier won’t reimburse all or part of your travel costs. At the conference, someone from the Division of Workers’ Compensation will listen to you and the insurance carrier and try to help you reach an agreement. An injured employee who is not represented by an attorney may also receive assistance by contacting the Office of Injured Employee Counsel at (800) 393-6432.

**More Information:** See 28 TAC §134.110 about reimbursement of travel expenses; Labor Code §408.004(c)(2) and 28 TAC §126.61(f) about required medical exams; Labor Code §408.0041(h)(2) and 28 TAC §126.17(c) about post-designated doctor treating or referral doctor exams.

**NOTE:** With few exceptions, upon your request, you are entitled to be informed about the information TDI-DWC collects about you; get and review the information (Government Code, §§552.021 and 552.023); and have TDI-DWC correct information that is incorrect (Government Code, §559.004). For more information, contact agencycounsel@tdi.texas.gov or you may refer to the Corrections Procedure section at www.tdi.texas.gov.
Employer’s Record of Injuries  
Texas Labor Code §409.006, DWC Rule §120.1

An employer shall keep a record of all injuries and fatal injuries to employees as reported to an employer, or otherwise made known to an employer. The record shall include:

1. The name, address, date of birth, sex, wage, length of service, Social Security number, and occupation of the employee;

2. The reported cause of nature of the injury, the part of the body affected, and a description of any equipment involved;

3. The date, time, and location where the injury occurred;

4. The name of the employee’s immediate supervisor;

5. The names of any witnesses (if known); and

6. The name and address of the treating health care provider, if known.

These records shall be available to the division at reasonable times and under conditions prescribed by the commissioner.

The employer shall retain a record of an injury until the expiration of five years from the last day of the year in which the injury occurred or the period of time required by Occupational Safety and Health Administration standards and regulations, whichever is greater.

I have received information that tells me how to get health care under workers' compensation insurance.

If I am hurt on the job and live in the service area described in this information, I understand that:

1. I must choose a treating doctor from the list of doctors in the network.
2. I may ask my HMO primary care physician to agree to serve as my treating doctor.
3. I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go anywhere.
4. The insurance carrier will pay the treating doctor and other network providers.
5. I might have to pay the bill if I get health care from someone other than a network doctor without network approval.
