GENERAL DESCRIPTION

The State Office of Risk Management (SORM) is diverse and inclusive state agency looking for an entry level Document Specialist. This person will assist with originating workers' compensation claim files by processing mail for SORM. Responsibilities include entry-level data entry work, receiving, sorting, and delivering mail to internal departments, scanning documents, and other responsibilities related to the origination of workers' compensation claim files. This is an excellent position to learn the inner workings of the documents and processes related to adjusting a workers' compensation claim. This position is an entry-level administrative support role in the Intake Management department and requires disseminating information in a general office environment. SORM is a unique state agency. We serve the public by directly serving other state entities with their workers' compensation claims, insurance and risk management programs, and continuity of operations (COOP) plans. SORM's unique culture embraces communication, creativity, and critical thinking. We hire results-oriented, curious, innovative, and adaptable people with a strong desire to help our clients, and one another, succeed. SORM continually seeks to enhance the agency's expertise and service by hiring talented people whose aspirations align with the Office's vision. If you are a service-minded professional looking for the stability of state service, we would love to visit with you. As a state employee, you are automatically enrolled in the state's retirement plan, and are eligible for additional health insurance benefits.
