

Dan Reilly

Dan Reilly has been a meteorologist with the National Weather Service since 1993, and the Warning Coordination Meteorologist at the Houston/Galveston Weather Forecast Office since 2008. He serves as a liaison from NWS to local, state, and federal and other core partners, including elected officials, emergency managers, broadcast media and others. Dan received his Master's degree in Meteorology from the Massachusetts Institute of Technology and a Bachelor's degree in Physics from the University of Virginia. He and his family reside in League City.
