

Tosha Terry Lee, CBCP, CCRP

Tosha Terry Lee is an accomplished risk professional with over 20 years of experience in business continuity, disaster recovery, cyber-resilience, and crisis management. As the Manager of Corporate Business Resilience at HMS, a Gainwell Technologies Company, Tosha oversees a diverse range of activities, ensuring compliance with industry standards and identifying areas for process enhancement and risk mitigation. Her expertise lies in analyzing the impact on, and risk to, essential business functions and information systems. Tosha's strength lies in her ability to collaborate and share information that foster and encourages personal and professional growth and resilience. Tosha's dedication to her field has been recognized through various award nominations, including the CSO40 Award and ISE North American Leadership Summit Project finalist for the Enterprise Business Resiliency Program. Tosha holds a Master of Science in Business Administration from Central Michigan University and a Bachelor of Science in Business Administration Management from Davenport University.
